Hello To You From The Trail!

We hope this update finds you all doing well! We trust you had a very blessed Thanksgiving. We pray as the Christmas time of year is among us that you can truly find the real joy that can only come through our Lord and Saviour Jesus Christ! "For unto you is born this day in the city of David a Saviour, which is Christ the Lord." ~Luke 2:11 Though we know this isn't the exact day He was born, this is when we celebrate it, so let's remember to keep Jesus the reason for the season!

Well we are not in the jungle yet! But we know the end is here because this past quarter we put \$1,000's into our van. On the back you will see a picture of just one of the many, many times our van left us sit in several different states. The devil is trying to deter and frustrate us to hinder us from fulfilling God's Will, but it isn't going to happen! God always had a plan to reach people for His Glory no matter where we were stuck! The Lord always provided and kept us safe as well! We are sending our container Dec. 15th and we are departing on Jan. 9th. The gentleman who is building our 32 bed facility pushed back his date until Feb due to the heavy rainy season down in the jungle the months of Nov and Dec. This worked out well because we weren't able to get it all together to be there by Nov. God knows our needs and works everything out perfectly! As of Jan 9th, our new address will be: **Ray and Kim Boltz**

Port Kaituma P.O.

**N.W.D. Region # 1, Port Kaituma Guyana
South America**

Isaiah 6:8 "Also, I heard the voice of the Lord, saying, WHOM SHALL I SEND, AND WHO WILL GO FOR US? Then said I, Here am I; send me."

- Bro. Larry Neff and his wife Paula (left), founders of Lighthouse Children's Homes in Mississippi, Costa Rica, Panama, Mexico, and India have partnered with our ministry in way of raising support for the children. In the middle is Bro. Ted Mock and his wife Jo, and they are full time representatives for his Lighthouse ministry. These two couples will be doing a lot in raising support for Guyana's children on behalf of us here in the States. Praise God!

Happy New Year!**

Bro. Runyon took a 3rd child in for us already. So now he has Charlene, Cheo, and Chris awaiting our arrival. And they are all 11 years old! We are beginning a Child sponsorship program to help offset the costs of food, clothing, housing and education for each child.
